
SOLUTION DRIVEN
SERVICE ORIENTED
TCJ
MANAGEMENT
CO. LTD
We know COMPANIES don't do events for the heck of it...

Exemplars
1. Grace Kennedy ranked highest on international disclosure factors (26/27)
2. First Citizens ranked highest for compliance with T&T CG Code (22/23)
3. Unilever had the largest improvement score for both the international disclosure factors (12 pts) and compliance to the T&T CG Code (10 pts)
EGIS

End of Year

...that's why we take a strategic, solution oriented approach. A product launch is part of your marketing mix; a Christmas party, a part of your employee engagement strategy.

No two events are the same and each deserves customisation and attention to detail.

We get every detail right and go heavy on strategy to ensure you meet your objectives **(whilst keeping our eyes on the mighty budget!)**

You've got lots to do!

- **Product Launches**
- **Promotional Activities**
- **Staff Events**
- **Customer Engagement Activities**
- **Sponsorship Fulfillment (incl. Booths)**
- **Product & Media Launches**
- **Roadshows**
- **Award Functions**
- **On Site Coordination**

Tisha C. Jack
Event Strategist

has over 15 years of experience, with 12 of those years being in Corporate Marketing & Events. She uses this first hand experience to the benefit of our clients!

Sometimes you wish you had a genie to grant you 3 wishes to help plan a smooth event...on top of everything else you have going on.

That's where we come in!

Our Suite of Services

EVENT DESIGN & MANAGEMENT

We work with you to design your perfect event or if you share your ideas/vision we will work to bring them to life.

EVENT DAY COORDINATION / ON SITE MANAGEMENT

Coordination is the thread that brings all your elements together to produce a cohesive and well executed event. We ensure your plans all come together seamlessly on the day.

EVENT MARKETING

We work with you to determine the best strategy that supports your marketing campaign. We will develop these strategies and execute for your organisation.

EVENT DÉCOR

Whatever the look you wish to achieve we work out the details that help create those lasting impressions through your décor. Browse through our gallery to see some of the designs we've brought to life.

EVENT LOGISTICS

We will help you determine the order things should take place; the time and by whom. Arranging all the pieces of your event in the right order is crucial in ensuring a perfectly painted picture.

VENDOR SELECTION & MANAGEMENT

Not sure who are the most appropriate vendors for your event? We'll connect you with the ones best suited for your event and your budget! We've worked with a number of vendors through various events.

SPONSORSHIP FULFILMENT & ACTIVATION

You've agreed to sponsor an event but don't have the time or resources to ensure your benefits are fulfilled? With our history and experience in corporate marketing and events we understand both sides of the sponsorship relationship and will ensure you get the most of your investment.

HYBRID & VIRTUAL EVENTS

Let us help you successfully take your event online! Our event platform provides you with the opportunity to host engaging sessions, network, showcase your sponsors and exhibitors, set up one on one meetings, and so much more. Add this component to your In-Person events and create a seamless Hybrid Experience.

Testimonials

Our clients' experiences help give insight to what you can expect when you work with us.

> Tisha and the team of TCJ are nothing short of superior talent, organized and visionary creators. Tisha's knowledge, confidence and patient exploration made her the natural selection and when coupled with her speed and accuracy in executing and anticipating needs, this team was second to none.
> ***- Wendy Delmar - Caribbean Association of Banks***

> When Tisha says, "I've got you", rest assured it is a full promise you can expect to redeem. I have worked with Tisha on several Corporate Events but this year she showed up 150% in the virtual events arena. Tisha's strength is her ability to shoulder her clients' concerns without infringing on the execution of the event.
> ***- Melissa Cobham - Business Development Manager - Aegis Business Solutions***

> You would be comfortable placing your event in her hands from "foundation to finish". I have had the pleasure of working with her as a colleague and as a contractor and in both instances, I have been pleased beyond expectation with her engagement, collaboration and output.***- Gervon Abraham - External Affairs Manager, British American Tobacco***

> Absolute pleasure to work! Makes a point to understand her client's needs. Tisha and her team are highly passionate and go beyond the norm for her clients. -***- Antron Forte, Category Manager - Beer and Cider, Carib Brewery Ltd***

Other Supporting Services

TJ Academy

TRAINING

We can help equip your team with the knowledge to execute events on their own. Our customised training programmes will cover the fundamentals of event planning including strategy, budgeting, evaluation and of course executing a virtual or hybrid event.

PLANNING CONSULTATION

We can help you get started with planning your event with a sit down (in person or virtual) consultation. We go through your desired plans and guide you as to how to move forward planning like a pro! Started planning already? No problem, we can help you or your team move forward from any stage of planning.
